But they are green and nice in summer. We can see a lot of people in the parks in our town. In spring and summer there are a lot of grannies and little children in our "Children Park." Grannies usually sit or walk. Children like to play balls, ride small cars, run and jump in the park. This park is the best place for our children.

Some houses in our town are big and tall. But there are small houses too. They have got small gardens with trees and flowers.
